One in four teens experience abuse in their dating relationships. This violence doesn't have to happen. You can help stop it by joining Young Leaders Against Violence or YLAV - a youth-led coalition focused on increasing awareness and preventing relationship and sexual violence. Being a part of YLAV provides the opportunity to be a leader and energize our community to take a stand against violence. YLAV accepts students from freshman in high school to freshman in college. Apply online at ylav.org or email us for more information at stopviolencegrteens@gmail.com

YLAV meets twice a month to plan various outreach projects ranging from meeting with legislators and community leaders, to planning events, and organizing social media campaigns. Participants develop valuable organizing skills learned while engaging in grass roots advocacy efforts.

**Meetings are held the 1st and 3rd
Thursdays from 4:30-6:30pm.
Dinner and bus tickets are provided.**

**Now accepting applications for 2016/2017!

YLAV is mentored by local agencies that care about the safety and well-being of our community!
